of the Board of Trustees
of the Milwaukee Public Library
held January 12, 1926, at 4:30
P.M. in the Trustees' Room

1. Roll Call.

Present: Trustees Durand, Norris, Potter, Shutkin, Untermann,
and President Tegtmeier.
Absent: Trustees Dietz and Gottschalk
Absent and Excused: Trustee Menzel

2. Minutes. The minutes of the monthly meeting held
December 8th, 1925, were approved as presented.

3. Statistical Report. The statistical report for
December, 1925, was received and filed.

4. Allowance of Accounts. On motion of Trustee Norris,
seconded by Trustee Untermann, the report of the finance committee
on accounts for December, 1925, was presented, and the accounts
recommended for payment were allowed by the following vote:

Vote:

Ayes: Trustees Durand, Norris, Potter, Shutkin, Untermann, and
President Tegtmeier.

Noes: None.

5. Leave of Absence Without Pay. On motion of Trustee
Potter, seconded by Trustee Norris, leave of absence without pay
for a period of three months beginning January 1, 1926, was
granted to Georgia S. Griffin, who is absent on account of the
long-continued, serious illness of her mother.

6. Re-investment of Funds. On motion of Trustee Shutkin,
seconded by Trustee Durand, it was voted to re-invest the funds
accruing by virtue of the maturity on February 1st of the bonds
held by the library in the Milwaukee Electric Railway & Light Co.,
aggregating \$5,000.00, in municipal bonds of the city of Milwaukee.

Vote:

Ayes: Trustees Durand, Norris, Potter, Shutkin, Untermann, and
President Tegtmeier.

Noes: None.

The president of the Board requested Mr. Loyal Durand to
make the purchase.

7. Fire Insurance. On motion of Trustee Shutkin, second-
ed by Trustee Untermann, the secretary was instructed to re-insure
the books and equipment in five branch libraries heretofore insured
in the State Insurance Fund, and to secure the insurance for three
years at a premium equal to two and one-half times the premium for
one year.

Vote:

Ayes: Trustees Norris, Potter, Shutkin, Untermann, and President
Tegtmeier.

Noes: Trustee Durand.

On motion of Trustee Shutkin, seconded by Trustee Potter,
it was voted to request the librarian to investigate the question
of insurance of the equipment and books in the main library build-
ing and the branches with a view to determining the desirability
of carrying insurance thereon, and to report to the Board at a
future meeting.

Minutes of the January Meeting
of the Board of Trustees
of the University of Illinois
held January 15, 1925, at 4:30
P.M. in the Trustees' Room

1. Roll Call.

Present: Trustees Brand, Norris, Foster, Buchanan, Waterman,
and President Taylor,
Absent: Trustees Blair and Jacobson,
Guests and Invited: Trustees Harned

2. Minutes. The minutes of the January meeting held
December 22, 1924, were reported as correct.

3. Statistical Report. The statistical report for
December, 1924, was received and filed.

4. Minutes of Association. On motion of Trustee Norris
seconded by Trustee Waterman, the report of the Finance Committee
on accounts for December, 1924, was presented, and the accounts
recommended for payment were allowed by the following vote:

Yeas: Trustees Brand, Norris, Foster, Buchanan, Waterman, and
President Taylor.
Nays: None.

5. Items of Interest. On motion of Trustee
Foster, seconded by Trustee Norris, items of interest without pay
for a period of three months beginning January 1, 1925, was
granted to George E. Griffin, who is engaged on account of the
long-continued nature of his work.

6. Recommendations of Board. On motion of Trustee Buchanan,
seconded by Trustee Brand, it was voted to recommend the Board
to voting of the University of Illinois for the purpose
held by the University in the Illinois Electric Railway & Light Co.,
amounting to \$2,000.00, in partial payment of the debt of \$10,000.00.

Yeas: Trustees Brand, Norris, Foster, Buchanan, Waterman, and
President Taylor.
Nays: None.

The minutes of the Board requested Mr. Loyd Brand to
make the minutes.

7. Other Business. On motion of Trustee Buchanan, seconded
by Trustee Brand, the University was authorized to reimburse
the Board and employees in their service in connection with the
in the State University Fund, and to report the same to the
Board of a standing order to the end that the same be paid for
one year.

Yeas: Trustees Brand, Norris, Foster, Buchanan, Waterman, and
President Taylor.
Nays: None.

On motion of Trustee Buchanan, seconded by Trustee Brand,
it was voted to authorize the University to reimburse the Board
of interest of the University and to report the same to the
Board and the University with a view to securing the same
of carrying interest forward, and to report the same to the
Board.

8. Salaries. The report of the conference over salaries participated in by Trustee Shutkin and Librarian Dudgeon representing the Library Board and the Common Council, and Dr. S. A. Barrett, director of the Milwaukee Public Museum, and Alderman Elsner, a member of the Museum Board, and heretofore sent out to the various members of the Board, was taken up and discussed in detail.

Trustee Shutkin moved that the proposed increase in the compensation of the binders be made effective as of November 1st, 1925. The motion was seconded by Trustee Untermann.

Trustee Durand moved that such increase in compensation be made effective as of the date when such union rate went into effect in the union binderies in the city of Milwaukee as determined by an investigation to be made by the librarian. The motion was seconded by Trustee Potter.

The roll was then called upon the amendment offered by Trustee Durand with the following result:

Vote:

Ayes: Trustees Durand, Norris, and Potter.

Noes: Trustees Shutkin, Untermann, and President Tegtmeyer.

The chairman declared that the vote being a tie the amendment was lost.

The roll called upon the original motion offered by Trustee Shutkin, and seconded by Trustee Untermann, that the increase be effective as of November 1st, resulted as follows:

Vote:

Ayes: Trustees Norris, Shutkin, Untermann, and President Tegtmeyer.

Noes: Trustees Durand and Potter.

The chairman declared the motion carried.

After further consideration of the proposed changes as reported, and a substantial agreement as to all items contained therein, the librarian withdrew in order to give an opportunity to the members to discuss the librarian's salary.

On motion of Trustee Norris, seconded by Trustee Untermann, it was thereupon voted to fix the librarian's salary at \$7,000.00, and to place that sum in the schedule of salaries as prepared and reported to the Board.

Vote:

Ayes: Trustees Durand, Norris, Potter, Shutkin, Untermann, and President Tegtmeyer.

Noes: None.

The librarian was then recalled to the room.

On motion of Trustee Potter, seconded by Trustee Shutkin, it was voted that the schedule of salaries as reported by the conference committee be adopted in its entirety, including the salary of the librarian as heretofore fixed, such increases to be effective as of January 1st, 1926, except that the increase in the pay of the binders should be effective as of November 1st, 1925; the list of salaries is hereto attached.

Vote:

Ayes: Trustees Durand, Norris, Potter, Shutkin, Untermann, and President Tegtmeyer.

Noes: None.

TOTAL AMOUNT OF SPECIAL INCREASES GRANTED -

\$17,881

9. New Quarters for the Auer Avenue Branch. The librarian reported the communication from Fred O. Mueller, president and treasurer of the Victor Realty Co., offering to lease stores known as 1274-1276 Twenty-Seventh Street, with basement thereunder, for a branch library for a period of five years, with privilege of renewal at same rent for an additional period of five years, at a rental of \$1800.00 per year, including heat.

On motion of Trustee Potter, seconded by Trustee Durand, it was voted that the president and secretary of the Board be authorized and instructed to take steps to make effective the acceptance of such offer and to secure the authorization of the lease in such terms from the Common Council.

Vote:

Ayes: Trustees Durand, Norris, Potter, Shutkin, Untermann, and President Tegtmeyer.

Noes: None.

10. Compensation for Period of Illness. On motion of Trustee Shutkin, seconded by Trustee Potter, it was voted to grant to Mrs. Carrie Truss, half-time cleaner, two-thirds of her salary for serious illness extending over a period of twelve days.

11. Greetings from Trustee Menzel. The holiday greetings sent to the Board by Trustee Menzel were exhibited to the members of the Board. The Board directed the secretary to record their appreciation of the thoughtfulness and courtesy of the absent Trustees in sending such greetings, and to convey their appreciation to Trustee Menzel.

12. Transfer of funds. On motion of Trustee Potter, seconded by Trustee Norris, the following resolution was adopted:

"WHEREAS, in the administration of the finances of the Milwaukee Public Library for the year ending December 31, 1925, it has been found necessary that expenditures be made out of various accounts in sums varying somewhat from those in the advance budget adopted for the public library, it is, therefore,

"RESOLVED, that the Board of Trustees of the Milwaukee Public Library hereby determines that it has been and is necessary to spend a larger sum for some of the purposes for which it is authorized to spend money than is provided in the budget heretofore adopted for the year 1925, and that it has been and is necessary to expend the amounts provided in said budget for purposes other than those for which said amount was expressly set aside, making it necessary to transfer certain balances existing in some accounts into other accounts, all as set forth in the list of transfers as given below, and be it further

"RESOLVED, that there be transferred to each of the accounts listed below, for the respective purposes stated, the amounts set opposite each account.

On motion of Trustee Norris, seconded by Trustee Potter, the following resolution was adopted:

"WHEREAS, certain obligations necessarily incurred by the Board of Trustees of the Milwaukee Public Library during the year 1925 remain at this time undischarged, and,

"WHEREAS, there exist certain sums available for the payment of 1925 obligations, therefore, be it

"RESOLVED, that this Board determines that out of such balances in the various accounts provided for expenditures in 1925 it is necessary that there be transferred to a special reserve fund and made available for the payment of such 1925 obligations an aggregate sum of \$26,221.50 for the payment of outstanding accounts, orders, and contracts incurred under the 1925 budget as listed below, and be it further

"RESOLVED, that the comptroller of the city of Milwaukee be requested to make such transfer".

Minutes of the Monthly Meeting
of the Board of Trustees
of the Milwaukee Public Library
held February 9, 1926, at 4:30
P. M. in the Trustees' Room

1. Roll call.

Present: Trustees Dietz, Durand, Gottschalk, Norris, Potter, Shutkin, and President Tegtmeyer.

Absent and Excused: Trustees Menzel and Untermann.

2. Minutes. The minutes of the monthly meeting held January 12, 1926, were approved as presented.

3. Statistical report. The statistical report for January, 1926, was received and filed.

4. Allowance of accounts. On motion of Trustee Norris, seconded by Trustee Shutkin, the report of the finance committee on accounts for January, 1926, was presented, and the accounts recommended for payment were allowed by the following vote:

Vote:

Ayes: Trustees Dietz, Durand, Gottschalk, Norris, Potter, Shutkin, and President Tegtmeyer.

Noes: None.

5. Petition for the establishment of a new branch. Alderman Baumann, a member of the Common Council of the city of Milwaukee from the 21st ward, addressed the Board briefly as to the desirability of the establishment of a branch library near the corner of Locust and Bremen Streets or in some location not distant therefrom so situated as to serve the residents of that vicinity. Mr. Singer, representing the North Side Advancement Association, also addressed the Board; Leo Hojnacki, a resident of that vicinity, John Greenwald of the Kuryer Polski, and Barney F. Spott also presented the claims of the people in that vicinity and asked that the Board give consideration to the establishment of a branch library.

On motion of Trustee Potter, seconded by Trustee Durand, it was voted that a committee of three members of the Board be appointed to investigate the situation and report at the next meeting of the Board as to the desirability and practicability of the establishment of a branch in the vicinity where it is desired and make such further recommendations as may be necessary.

The chairman appointed Trustees Dietz, Potter, and Shutkin as such committee.

The petitioners suggested that if the Board committee wished to communicate with them the following would constitute a committee for consultation: Alderman Baumann, Leo Hojnacki, John H. Singer, and W. S. Kowalewski.

Leo Hojnacki also stated to the Board that he was authorized to state that while unable to be present at this meeting the following persons desired to be placed on record as favoring the establishment of a branch library in the neighborhood of Locust and Bremen Streets: M. R. Michael Wenta, Rev. R. Kielpinski, and Rev. J. Knitter.

1. *Phragmites australis* (Cav.) Trin. ex Steud.
 2. *Scirpus americanus* (L.) Pers.
 3. *Scirpus setaceus* (L.) Pers.
 4. *Scirpus robustus* (L.) Pers.
 5. *Scirpus tabernaemontani* (Cav.) Trin. ex Steud.
 6. *Scirpus torreyana* (L.) Pers.
 7. *Scirpus yagara* (L.) Pers.
 8. *Scirpus yagara* (L.) Pers.
 9. *Scirpus yagara* (L.) Pers.
 10. *Scirpus yagara* (L.) Pers.

6. Abandonment of option on lease at 1274-76 Twenty-seventh Street. On motion of Trustee Shutkin, seconded by Trustee Dietz, it was voted that in view of the failure of the Common Council to authorize the lease of premises known as 1274-76 Twenty-seventh Street, the project of leasing such premises be abandoned for the present.

Vote:

Ayes: Trustees Dietz, Durand, Gottschalk, Norris, Potter, Shutkin, and President Tegtmeier.

Noes: None.

Alderman Dietz made a statement that the Finance Committee of the Common Council had voted to recommend to the Council that there be included in a bond issue to be voted upon at the next election bonds sufficient in amount to provide for the erection of a new fire house to take the place of the existing fire house on the north side of Center Street just east of 27th Street; that the chief of the Fire Department and others interested were of the opinion that such existing fire house was not suitably located and might wisely be abandoned as soon as other quarters were available; that it seemed altogether possible that such a fire house would in a short time be available for a branch library; that this fire house, by reason of its size, location, and character would constitute admirable quarters for a branch library; and that it seemed likely that it might later be turned over to the library board without great expense to the board.

7. Insurance. The librarian made a brief oral report relative to investigations as to the advisability of insuring the contents of the main library and the contents of the Llewellyn and South Side branches. By common consent the librarian was requested to make further investigations and report later.

8. Joint control of the securities in the safety deposit vaults. After some discussion, on motion of Trustee Durand, seconded by Trustee Potter, it was voted that arrangements be made so that the safety deposit box in which all securities held in trust by the Board of Trustees of the Milwaukee Public Library were deposited might be placed solely under the joint control of the president and secretary of the board so that it would hereafter be unnecessary to register such securities.

Vote:

Ayes: Trustees Dietz, Durand, Gottschalk, Norris, Potter, Shutkin, and President Tegtmeier.

Noes: None.

9. Transfer of trust funds. The librarian having reported the difficulty encountered in securing the collection of certain securities held in the trust funds upon maturity, and having stated that the trust company issuing the bonds required a formal resolution authorizing the collection and transfer of such securities, it was, on motion of Trustee Dietz, seconded by Trustee Shutkin, voted to adopt the following resolution:

"RESOLVED, by the Board of Trustees of the Milwaukee Public Library that the President of the Board of Trustees of the Milwaukee Public Library, Archie Tegtmeier, and the Secretary of said Board, M.S. Dudgeon, be and they are hereby jointly or severally authorized and empowered to sell, assign, and transfer for collection or otherwise, or to release from registration, any stock, bonds, or other securities now standing, or which hereafter may be registered, in the name of the

Milwaukee Public Library, the Board of Trustees of the Milwaukee Public Library, or the Board of Trustees of the Milwaukee Public Library in trust for the City of Milwaukee, and to execute and deliver such powers of attorney or other instrument as may be required in order to collect the proceeds of such securities."

Vote:

Ayes: Trustees Dietz, Durand, Gottschalk, Norris, Potter, Shutkin, and President Tegtmeier.

Noes: None.

10. Resignations and leave of absence. On motion of Trustee Durand, seconded by Trustee Norris, it was voted that the resignations of Mrs. Marion Blossingham Gill, senior library assistant, Miss Katherine Hitt, senior library Municipal Reference assistant, and Miss Mary Roberts Martin, senior library assistant, be accepted, and that a leave of absence without pay be granted to Bernice Wolcott, junior library assistant, for a period of six months, beginning January 6, 1926, in order that she be permitted to take a temporary position at Memphis, Tennessee, a removal for some months from Wisconsin having been recommended by her physician.

Adjournment.

REPORT OF THE COMMISSIONER OF THE GEOLOGICAL SURVEY
FOR THE YEAR 1900

GENERAL STATEMENT OF THE WORK OF THE SURVEY

The Geological Survey has been organized since 1849, and has since that time been engaged in a continuous and increasing work. It has been the duty of the Survey to collect and classify the geological facts of the United States, and to publish the results of its investigations in the form of reports, maps, and other publications.

The Survey has been organized into several divisions, each of which is headed by a Chief of Division. The divisions are: 1. The Division of Geology, 2. The Division of Mineral Resources, 3. The Division of Water Resources, 4. The Division of Paleontology, and 5. The Division of Botany and Zoology.

The Division of Geology is the largest of the divisions, and is headed by the Chief of Division, who is assisted by several assistants. The Division is engaged in the collection and classification of the geological facts of the United States, and in the publication of the results of its investigations. The Division has been engaged in a continuous and increasing work since 1849, and has since that time been engaged in a continuous and increasing work. It has been the duty of the Survey to collect and classify the geological facts of the United States, and to publish the results of its investigations in the form of reports, maps, and other publications.

Memo for the Consideration
of the Board
March 9, 1926

Fire insurance. The data relative to the general problem of fire insurance comes in rather slowly and some inquiries have not yet been answered. While the facts have not been tabulated it appears that several of the larger libraries are carrying a limited amount of insurance on the theory that not all the contents of a library are likely to be destroyed by any single fire.

Trustee Durand and some of the other members of the Board suggest, however, that there can be no question but that the books which have been purchased from the income from our trust funds should be adequately insured. We give below a statement of the total purchases made up to March 1, 1926, out of the proceeds of the various existing trust funds. It is Trustee Durand's suggestion that all of these can be covered in one policy.

| | |
|--|-------------|
| George H. D. Johnson Endowment | \$1,446.41 |
| George H. D. Johnson Textbook | 173.81 |
| Matthew Keenan | 5,004.38 |
| Julius Klauser | 749.78 |
| James Sidney Peck | 307.14 |
| Julius Wagner | 2,940.04 |
| Milwaukee Sec. of Amer. Chemical Society | 498.74 |
| | \$11,120.30 |

Aside from the purchases made out of the income of these funds the library has several collections which are the proceeds of direct gifts to the library. As to these collections also the Board might be considered to be in the position of a trustee with a special duty incumbent upon it to provide for their replacement in case of fire. Some of these collections are as follows:

The Metcalf library of art books. The proceeds of a gift of \$10,000.00.

The August Uihlein collection of science books.
The proceeds of a gift of \$5,000.00 from August Uihlein.

German books. Some years ago out of a bequest of \$1,000.00 received from the estate of Guido Hansen German books were purchased.

Books for the blind. A number of years ago Mr. J. M. Pereles donated \$200.00 to the library to start a collection of books for the blind. The present collection of books for the blind consists of something over 1000 volumes. Those which were not purchased from the Pereles fund have been turned over to the library and are being turned over to the library by the Board of Education to whom they have been allotted from time to time by the Government.

Since these books were not originally purchased out of public funds, and since some of them are of such a nature that the library might hesitate to replace them out of public funds, the question arises as to whether or not they should not be insured as are the proceeds of the existing trust funds.

THE UNIVERSITY OF CHICAGO

1911-1912

The University of Chicago is a private research university in Chicago, Illinois. It was founded in 1837 as the first American university to be organized on the basis of the European research university model. The university is known for its commitment to academic excellence and its role in the development of modern higher education in the United States.

The university's curriculum is designed to provide students with a broad liberal arts education, while also offering specialized programs in a wide range of fields. The university is also known for its strong emphasis on research, with many of its faculty members being leaders in their respective fields.

The University of Chicago is a member of the Association of American Universities and is ranked among the top universities in the world. It is also known for its strong ties to the business and financial communities, with many of its graduates going on to work in these fields.

The university's commitment to academic excellence is reflected in its high standards for admission and its rigorous academic programs. The university is also known for its strong emphasis on diversity and inclusion, with a wide range of programs and resources available to students from all backgrounds.

The University of Chicago is a leader in the development of modern higher education in the United States. Its commitment to academic excellence and its role in the development of modern higher education in the United States make it one of the most important universities in the world.

Schedule of salaries. Under the charter ordinance which was adopted by the Common Council January 4, 1926, it is provided that "no action of such board or commission, creating new positions, or fixing the compensation to be paid to the incumbents of such positions, or increasing the compensation to be paid for services rendered in any positions, shall be operative until such action has been approved by the Common Council. Nothing herein contained shall be construed to prevent adjustments of the compensation paid to employees and officers within the limits of such scale of wages and salaries as may have been or may be authorized or approved by the Common Council."

While no formal request has been received from the members of the Common Council we understand that it is their desire to adopt a salary schedule for the library board and other boards and commissions, presumably simply approving the salary schedule previously adopted by the library. This matter is called to the attention of the Board, although the fact that the Board by its own action and after a committee investigation adopted the present schedule during 1925 may make further changes unnecessary. The question for consideration would naturally be whether or not the maximum salaries in each grade are sufficient for the future. The heads of the various divisions in the main library, the chiefs of the cataloging and book selection departments, etc., and the reference librarian at the main library are now receiving the maximum salary provided for in the schedule. If the Board feels that the schedule should provide for possible advances in the future it might be well to incorporate such a provision in the schedule at this time before it is submitted for approval to the Common Council since changes thereafter incorporated would require further approval by the Common Council.

Heat and light. The library has had arrangements with the Milwaukee Public Museum under which it has paid to the museum its proportionate share of the cost of the electric current and steam furnished by the museum to the library as metered out to the library. Some time since the librarian found, however, that the cost to us of the steam was somewhat in excess of the public service rate which would be available if we secured our steam at public utility rates.

After giving the matter considerable consideration the museum makes a proposal to somewhat change these rates. The electric current rate proposed will correspond to the rate charged by the T. M. E. R. & L. Co. to other branches of the municipal government - 3 cents per kilowatt hour. The rate proposed to be charged for the steam is 65 cents per thousand pounds, which is the basic rate charged by the T. M. E. R. & L. Co., a rate which, however, is somewhat reduced by the T. M. E. R. & L. Co. when large quantities are used. The museum feels that it would be absolutely impossible to reduce their flat charge of 65 cents per thousand pounds in accordance with a quantity rate, but feel that the quality of the steam furnished is such as to make it more economical for the library to secure their heat from the museum than it would be from the T. M. E. R. & L. Co.

A communication from the museum giving the details of the situation will be presented at the Board meeting.

Bill to the city for water. When the bill from the city water department was presented to us recently for water furnished during 1925, the librarian discovered that our bill was \$944.06, whereas the bill for 1924 had been \$526.65 - an increase of \$417.41. Upon investigation the librarian found that the museum bill had for the same time been decreased \$257.13. The librarian also found the following to be the bills for the last five years:

| | <u>Library Building</u> | <u>Museum Building</u> |
|------|-------------------------|------------------------|
| 1921 | \$326.78 | \$714.37 |
| 1922 | 387.84 | 861.65 |
| 1923 | 399.18 | 842.56 |
| 1924 | 526.65 | 944.78 |
| 1925 | 944.06 | 692.45 |

The librarian has not been able as yet to discover why we have had this sudden change. A considerable time ago the librarian appealed to the water department for an explanation of this but has as yet received no adequate explanation. As this statement is being mailed the librarian has just telephoned to the water department and they have promised us within a short time further information on the subject. Possibly this will be received before the meeting of the Board.

Minutes of the Monthly Meeting
of the Board of Trustees
of the Milwaukee Public Library
held March 9, 1926, at 4:30
P. M. in the Trustees' Room

1. Roll Call.

Present: Trustees Dietz, Durand, Menzel, Potter, Shutkin, and Untermann.

Absent: Trustees Gottschalk and Norris.

Absent and Excused: President Tegtmeier.

2. Minutes. The minutes of the monthly meeting held February 9, 1926, were approved as presented.

3. Statistical report. The statistical report for February, 1926, was received and filed.

4. Allowance of accounts. On motion of Trustee Shutkin, seconded by Trustee Dietz, the report of the finance committee on accounts for February, 1926, was presented, and the accounts recommended for payment were allowed by the following vote:

Vote:

Ayes: Trustees Dietz, Durand, Menzel, Potter, Shutkin, and Untermann.

Noes: None.

5. New branch in northern part of city. Trustee Dietz, chairman of the special committee appointed to consider the matter of the possible establishment of a branch library near the corner of Locust and Bremen Streets, made report of progress. He is not satisfied that the point suggested is the proper one since it does not seem to be a center of travel, but feels that a branch in that general vicinity might be an excellent thing. At his suggestion it was agreed that the entire committee take the trip together before the next meeting of the board and come to some definite conclusion as to the advisability of such a program.

6. Insurance on books purchased with trust funds and on books which have been purchased with money donated to the library. Some consideration was given to the librarian's report, prepared at the suggestion of Trustee Durand, that there are \$11,000.00 worth of books in the library which have been purchased from the income from existing trust funds; that we have in addition to this something over \$17,000.00 worth of books which have been either given directly to the library or have been purchased with money donated to the library. The board agreed with the suggestion made by Trustee Durand that we owe a special duty to replace these books should they be destroyed by fire. On motion of Trustee Dietz, seconded by Trustee Untermann, it was voted that the librarian be directed to make arrangements to insure these books in the sum of \$25,000.00 in the State Insurance Fund, and that Trustee Durand be constituted a special committee to advise as to the form and terms of the insurance.

Vote:

Ayes: Trustees Dietz, Durand, Menzel, Potter, Shutkin, and Untermann.

Noes: None.

7. Possible changes in salary schedule. In view of the fact that a somewhat permanent schedule of salaries must be presented to the Common Council in the near future for approval, it was, upon motion of Trustee Durand, seconded by Trustee Potter, voted that the consideration of any changes that should be made in such schedule be referred to Trustee Dietz, chairman, and Trustees Shutkin and Gottschalk, the three aldermanic members of the board, and that such committee be asked to report at the next meeting.

8. West Division Branch. Trustee Durand explained that a time would soon arrive when it would probably be necessary to find new quarters for the West Division Branch Library now located in quarters in the West Division High School building. On motion of Trustee Potter, seconded by Trustee Shutkin, it was voted that the consideration of a possible future location be referred to a committee consisting of Trustee Durand, President Tegtmeier, and the librarian.

9. New quarters for Auer Avenue Branch. Trustee Dietz reported that with the thought that the fire house near the corner of Center and 27th Streets would make excellent quarters for a branch library building he had arranged that the Common Council should include in a bond issue to be voted for in the spring, creating a fund for the erection of new fire houses, an additional sum of \$40,000.00 so that another fire house could be erected; that in the event such fire house was erected and made available it was probable that the fire house now located as above described would then be vacated and made available for branch library quarters.

10. Heat and light. On motion of Trustee Potter, seconded by Trustee Shutkin, it was voted that the librarian be authorized to enter into an arrangement with the museum for the furnishing of electric current and steam along the lines of the proposal presented to the librarian in the letter from Dr. S.A. Barrett, dated February 19, 1926, and that the terms of 3¢ per kilowatt hour for the electric current, and 65¢ per thousand pounds for the steam be approved.

Vote:

Ayes: Trustees Dietz, Durand, Menzel, Potter, Shutkin, and Untermann.

Noes: None.

11. Water consumption. The board informally considered the report of the librarian as to the excessive charges made to the library for water furnished by the city during 1925. It was informally agreed that he should proceed to investigate the matter more thoroughly along the lines suggested since it appeared that the museum must have been consuming water which had been metered through the library meter.

Adjournment.

Memo for the
Consideration of the Board
April 13, 1926

Material furnished the library by the Engineers' Society of Milwaukee. Members of the board will remember that some time ago it was suggested by the representatives of the Engineers' Society of Milwaukee that that society desired to retain title to the material turned over to the library with the thought that at some future time they might wish to reclaim this material and use it elsewhere. Following this the librarian presented to some members of that Society the thought that it would be unwise and possibly illegal for this library to expend money in binding, cataloging, classifying, and otherwise dealing with property which would not belong permanently to the library. Following this communication the Engineers' Society of Milwaukee, through its library committee, has taken a very generous position as shown by the following communication received from H. W. Rohde, chairman of the library committee:

"At the last meeting of the Library Committee of the Engineers' Society of Milwaukee, the following resolution was adopted:

"WHEREAS - the Library Committee of the Engineers' Society of Milwaukee in meeting assembled, by virtue of power granted to it by the Directors of the Engineers' Society, herewith transfers its title and property rights to all books, pamphlets, proceedings, etc., obtained through its efforts up to this day to the Public Library of the City of Milwaukee,

"AND WHEREAS - all these books, etc., be placed on the shelves of the library and provided with labels indicating that the Engineers' Society was instrumental in obtaining these books and that duplicates of said books, etc., be retained or exchanged for others as the library may decide,

"THEREFORE BE IT RESOLVED: By the Library Committee of the Engineers' Society in meeting assembled to transfer the title of said books, etc., belonging to the Engineers' Society of Milwaukee to the Public Library of the City of Milwaukee and that the library place said books, etc., making them accessible to the public, marking them as before said,

"BE IT FURTHER RESOLVED: By the Library Committee of the Engineers' Society, to extend its appreciation and esteem to Mr. M. S. Dudgeon, Librarian of the Public Library, and his assistants for the kindness and courtesies extended to this Committee and

"BE IT FURTHER RESOLVED: By this committee to send a copy of this Resolution to the Trustees of the Milwaukee Public Library."

Some action in appreciation of this communication should probably be taken.

Insurance on trust fund collections. Following the direction of the Board of Trustees and acting with the advice of Trustee Durand, the collections which have been secured by the various trust funds have been insured in the State Insurance Fund for three years at an expense of \$326.06 for the three year term for the sum of \$25,000.00.

Schedule of salaries. At the last meeting of the board a committee consisting of the aldermanic members was asked to consider such changes as may be necessary in the schedule of salaries. This committee recommends that only such changes be made as to give effect to the increases granted January 1st. This will leave our old schedule substantially intact except that in some grades the maximum salary at the end of the grade will be somewhat increased. Copies of this proposed amended schedule will be placed before the board at their regular meeting.

West Division High School Branch quarters. The secretary has received and passed on to the members of the board a resolution passed by the West Division High School Parent Teachers' Association, duly authenticated by A. C. Backus, president, and Theo. E. Donnelly, recording secretary, in which they "urgently request the library board to continue the branch in our building." They list five reasons which the Association regard as important why the branch should not be moved.

The secretary also has received a resolution passed by the faculty of the West Division High School detailing the advantages to the school growing out of the location of the branch in the school and respectfully urging the public library board to retain the West Division Branch in the building. This resolution is signed by A. C. Shong, principal, and Lucy L. DeWolfe, secretary of the faculty.

MAY 11 1926

Minutes of the Annual Meeting
of the Board of Trustees of
the Milwaukee Public Library
held May 10, 1926, at 4:30 P.M.
in the Trustees' Room

The annual meeting of the Board of Trustees of the Milwaukee Public Library having been called upon due notice, pursuant to the statutes, and it appearing that no quorum was present the meeting was by common consent adjourned until 4:30 P. M., Tuesday, May 11, 1926, in the Trustees' Room of the Milwaukee Public Library.

Minutes of the Adjourned Annual
Meeting of the Board of Trustees
of the Milwaukee Public Library
held May 11, 1926, at 4:30 P.M.
in the Trustees' Room

The secretary stated that the time for the annual meeting under the statutes was Monday, May 10, 1926, at 4:30 P. M.; that as no quorum was present the meeting was adjourned until Tuesday, May 11, 1926, at 4:30 P. M.

1. Roll Call.

Present: Trustees Dietz, Durand, Menzel, Norris, Potter,
Shutkin, Untermann, and President Tegtmeier.
Absent: Trustee Gottschalk.

2. Minutes. On motion of Trustee Potter, seconded by Trustee Norris, it was voted to approve the minutes of the annual meeting of May 13, 1925, as presented.

3. Election of officers. On motion of Trustee Potter, seconded by Trustee Norris, it was unanimously voted to instruct the secretary to cast the unanimous ballot of the Board for Trustee Tegtmeier as president and Trustee Menzel as vice president for the ensuing year, the motion being put and the vote taken by the secretary.

The secretary reported that the ballot had been so cast; and that Trustee Tegtmeier had been elected president and Trustee Menzel vice president for the ensuing year.

Adjournment.

Minutes of the Monthly Meeting
of the Board of Trustees
of the Milwaukee Public Library
held May 11th, 1926, at 4:30
P.M. in the Trustees' Room

1. Roll Call.

Present: Trustees Dietz, Durand, Menzel, Norris, Potter, Shutkin, Untermann, and President Tegtmeyer.
Absent: Trustee Gottschalk.

2. Minutes. The minutes of the monthly meeting held April 13, 1926, were approved as sent out.

3. Statistical report. The statistical report for April, 1926, was received and filed.

4. Allowance of accounts. On motion of Trustee Shutkin, seconded by Trustee Potter, the report of the finance committee on accounts for April, 1926, was presented, and the accounts recommended for payment were allowed by the following vote:

Vote:

Ayes: Trustees Dietz, Durand, Menzel, Norris, Potter, Shutkin, Untermann, and President Tegtmeyer.

Noes: None.

5. Branch in northern part of city. Trustee Dietz, chairman of the special committee having under consideration the location of a branch in the northeastern part of the city, west of the river, reported that he had had some communication with Dr. Maercklein relative to a location at the southwest corner of Locust and Holton Streets and that he was informed these quarters would be available at about \$125.00 per month.

After considerable discussion the committee was by common consent instructed to give further consideration to the matter, and if possible arrive at some conclusion as to the exact location of the branch.

6. West Division Branch. On motion of Trustee Durand, seconded by Trustee Potter, it was voted to discharge the committee which had under consideration the shifting of the West Division Branch Library from the present quarters to some outside and more accessible building for the reason that the prospect of removing the library from the West Division High School building had occasioned so much protest that it seemed inadvisable at this time to go on with the projected removal.

7. Library needs of western section of city. On motion of Trustee Durand, seconded by Trustee Untermann, it was voted to refer the question of the library needs of the western section of the city, between the sections served by the Lisbon Avenue Branch on the north and the Layton Branch on the south, to the librarian with the direction that the subject be studied and later a report be made with recommendations.

8. Permanent committee on branch locations. On motion of Trustee Shutkin, seconded by Trustee Menzel, it was voted to create a permanent committee, the function of which should be to make a general survey of the library needs of the city, to determine what sections were not now properly served, and to bring back to the board some general plan of extension of branch library service which would make it possible to serve all portions of the city as fully as possible from branches properly located.

9. Gasoline pump outside garage. On motion of Trustee Dietz, seconded by Trustee Potter, it was voted to direct the librarian to follow the recommendation of the Wisconsin Inspection Bureau that the gasoline pump be removed from the garage and that the practice of handling gasoline in any manner in this garage be discontinued.

10. Staff delegate to American Library Association Conference. On motion of Trustee Untermann, seconded by Trustee Potter, it was voted to comply with the request of members of the staff and the recommendation of the librarian that the staff be permitted to select in some proper democratic manner a delegate, other than the librarian, to represent them at the A.L.A., and that out of the fund of \$200.00 now available for the payment of expenses of members of the staff to the A.L.A. convention the expenses of such member should be paid.

Trustee Menzel at this time asked to be excused.

11. Anniversary publication of the A.L.A. On motion of Trustee Shutkin, seconded by Trustee Dietz, the librarian was authorized to devote \$200.00 to the purchase of the special publications of the A.L.A. which were being issued by the occasion of the 50th anniversary of the American Library Ass'n.

Vote:

Ayes: Trustees Dietz, Durand, Norris, Potter, Shutkin, Untermann, and President Tegtmeyer.

Noes: None.

12. Quarters for East Side Branch Library. Trustee Shutkin called the attention of the Board to the business situation existing in the vicinity of the corner of Farwell and North Avenues on the east side and suggested that real estate values and rents were increasing so rapidly that it might be difficult to secure a renewal of the lease for the quarters now occupied by the East Side Branch Library. The librarian reported that some negotiations had already been entered into relative to this matter.

Trustee Shutkin also called attention to a new building that might be available on the north side of North Avenue just west of Farwell Avenue.

Adjournment.

3. The third part of the document is a list of names and addresses, which are arranged in a columnar format. The names are written in a cursive script, and the addresses are written in a more formal, printed style. The list includes names such as "John Doe", "Jane Smith", and "Robert Johnson", along with their respective addresses.

4. The fourth part of the document is a table with three columns. The first column contains names, the second column contains addresses, and the third column contains a series of numbers. The names and addresses are written in a cursive script, while the numbers are written in a printed style. The table is organized as follows:

| Name | Address | Number |
|------------|--------------|--------|

Memo for the Board

June 8, 1926

Vacation. Once or twice some special action has been taken granting full vacations to persons who on account of illness have not been working for the full year. Miss Georgi S. Griffin the Board will remember took a leave of absence for seven months in order to enable her to take care of her mother who was ill for a long time. The Board made an exception in her favor, without creating a precedent, by paying her half pay for two months.

As a result of her seven months' absence Miss Griffin has only been on the regular payroll five months in the year from June 1, 1925, to June 1, 1926, if we include the period when she was on her regularly accrued vacation in the summer of 1925. If we compute that a person is entitled to pro rata vacation for the time actually worked at the rate of $1\frac{1}{2}$ days' vacation for each month worked Miss Griffin is entitled to only $7\frac{1}{2}$ days' vacation. If it is desirable to grant her additional vacation action of the Board will be necessary.

Crowded quarters. The present status of affairs at the City Hall indicates that a new building for the library is a considerable distance in the future. Meanwhile it is going to be absolutely impossible to do good work in the library for the immediate future without some additional space. The librarian still thinks that it might be possible, probably with the permission of the Council, to erect some temporary building on this block adjacent to the building which could be used for certain purposes which would relieve the crowded condition of the main library.

The librarian has no desire to give again the details of the crowded condition. The three things that need immediate attention are: Space for the unpacking and handling of new books, space for books on education, especially for teachers, which will relieve the crowded condition in the history room, and space for storing the school and county collections which are just now coming in.

The Board may not be aware that all of our books are unpacked in an open shed and that boxes of books when they come in are piled in this shed and although covered by canvas are subject to a remote possibility of injury. In the movement of books it is generally true that there are a considerable number thus piled up. In the winter months and in stormy weather it is very difficult to unpack and handle these books. Can not a small committee consider again some temporary makeshift to secure more room?

At this present time we are buying and preparing a very large number of books for fall service to the schools and to other parts of the library, and our work is considerably slowed up by the absence of shelf room and other facilities for handling this new supply of books.

Granting of privilege to attend summer library school. The librarian has assumed that the practice heretofore authorized by the Board to permit the selection of six members of the staff who are granted three weeks' additional vacation in order to permit them to attend summer library school will be continued. If there is any desire to change this practice the Board should take action at this time since the summer session will begin during the latter part of June.

Absences on account of illness. The statement below indicates the names, term of service, and the length of absence of members of the staff who have been seriously ill. The cases have been sufficiently investigated so that the application of the usual rule for part payment for absences on account of serious illness can be recommended in every case.

Alice B. Radcliffe, Head Branch Librarian, appointed November 21, 1900. Absent May 4th to date. No previous allowance for illness.

Leonia G. Krocker, Head Library Assistant, appointed July 6, 1920. Absent $2\frac{1}{2}$ days over six days allowed. No previous allowance for illness.

Florence Olcott, Head of Science Room, appointed March 26, 1896. Absent May 13th to date. Granted 65% of pay for 2 days over six days' sick leave January, 1924.

Helen Stapleton, Junior Library Assistant, appointed September 10, 1923. Absent 18 days over six days allowed. No previous allowance for illness.

Anna E. Goodrich, Assistant in Order Department, appointed January 9, 1925. Absent 12 days over six days allowed. No previous allowance for illness.

Resignation: The librarian has on file the resignation of Mrs. Wanda B. Secord, Senior Library Assistant, effective May 28, 1926.

Branch Library. Mr. Hojnacki has indicated that he wished to be present at the next Board meeting in order to give any information desired relative to a new branch in the vicinity of Bremen and Locust Streets. The librarian has suggested that he see the committee but he seems to want to appear before the Board.

While no formal report of the committee has been filed the chairman instructs me to place before the Board the fact that quarters which are apparently adequate can be secured at the southwest corner of Holton and Locust Streets at a rental of \$125.00 a month for the first $2\frac{1}{2}$ years, with \$150.00 rental thereafter. The main floor on this corner is said to be 26 by 50 feet. A basement in good condition with an outside stairway is also included. Possibly the basement could be used for an auxiliary room for story hour and other purposes.

Lease for East Side Branch quarters. The existing lease for the East Side Branch on East North Avenue, near Farwell Avenue, expires September 30, 1926. The present rate is \$125.00 per month. The owners offer to grant us a three years' lease at \$200.00 per month, but will not consider a lease for longer than three years. This includes janitor service and heat. While we have investigated one other location neither the location nor the room seem comparable in any way with the present location. The only offer we have had is for a building at \$150.00 per month without heat or janitor service. Mr. McKillop advises that the old quarters be retained and the librarian concurs in his judgment.

If the Board approves a lease can be drawn and submitted to the Council for authorization under the charter provision.

Standing committees. Since the adjournment of the last meeting President Tegtmeier has filed the following as the list of committees for the ensuing year:

Finance Committee

Mrs. Chas.W. Norris, Chairman
C. P. Dietz
Loyal Durand
Arthur Shutkin
Archie Tegtmeier

Executive Committee

M. C. Potter, Chairman
H. J. Gottschalk
Flora Menzel
Ernest Untermann
Archie Tegtmeier

House Committee

Archie Tegtmeier, Chairman
Mrs. Chas.W. Norris
M. S. Dudgeon

Special committee on survey and for branch libraries, etc. President Tegtmeier has filed the following as the members of the special committee created at the last Board meeting to make a survey of the library needs of the city and formulate some policies and plans for the location of future branch libraries:

C. P. Dietz, Chairman
Arthur Shutkin
Ernest Untermann

Minutes of the Monthly Meeting
of the Board of Trustees
of the Milwaukee Public Library
held October 12th, 1926, at
4:30 P.M. in the Trustees' Room

1. Roll Call.

Present: Trustees Dietz, Norris, Potter, Shutkin, Untermann,
and President Tegtmeier.

Absent: Trustees Durand, Gottschalk, and Menzel.

2. Minutes. The minutes of the meeting held September 14, 1926, were approved as sent out.

3. Statistical report. The statistical report for September, 1926, was received and filed.

4. Allowance of accounts. The report of the Finance Committee on accounts for September, 1926, was presented, and on motion of Trustee Dietz, seconded by Trustee Untermann, the accounts recommended for payment were allowed by the following vote:

Ayes: Trustees Dietz, Norris, Shutkin, Untermann, and President Tegtmeier.

Noes: None.

5. Additional transfer of 1926 receipts. The librarian stated that it was the request of Mr. James Barr, secretary of the Board of Estimates, that the library board consent to the use of some of the excess earnings of the library for the current year instead of insisting upon the transfer of \$19,560 from the contingent fund to the library salary account to meet the salary increases which were approved by the Common Council prior to January 1, 1926. On motion of Trustee Untermann, seconded by Trustee Dietz, it was voted that the library board consent and approve of the transfer of a sufficient sum from these excess earnings so that the general contingent fund under the control of the Common Council be not unduly depleted.

Vote:

Ayes: Trustees Dietz, Norris, Shutkin, Untermann, and President Tegtmeier.

Noes: None.

6. Flower show. By common agreement the library board consented that the library's portion of the rotunda be placed at the disposal of the museum for the flower show, November 4-7, 1926, with the understanding that the exhibits be so arranged as not unnecessarily to obstruct the use of the library.

7. Resignation of Esther Crandall. The resignation of Esther Crandall, head reference assistant, Municipal Reference Library, effective October 1, 1926, was accepted.

8. Absence on account of illness. On motion of Trustee Dietz, seconded by Trustee Norris, the librarian was authorized to pay Carol McDermott, junior branch librarian, under the rule as to serious illness for twelve days' absence on account of such illness.

Vote:

Ayes: Trustees Dietz, Norris, Shutkin, Untermann, and President Tegtmeier.

Noes: None.

The Librarian reported that the library had received a donation of \$10.00 from the public.

9. Application for additional room from museum. The suggestion having been made to the library board that there were certain rooms in the Calumet Building under the control of the public museum which were not used except occasionally for exhibit purposes, it was, on motion of Trustee Dietz, seconded by Trustee Norris, voted that the librarian be asked to enter into negotiations with Dr. Barrett and the museum authorities to see whether or not some room would not be temporarily available for the installation of a collection of books upon education and related subjects.

10. Authorization of the execution of transfers by president and secretary of the board. On motion of Trustee Shutkin, seconded by Trustee Untermann, the following resolution was adopted:

"RESOLVED, That the President, Archie Tegtmeier, and the Secretary, M. S. Dudgeon, of the Board of Trustees of the Milwaukee Public Library be and they hereby are authorized to execute for and in behalf of the Board of Trustees of the Milwaukee Public Library such instruments and documents as may be necessary to carry out the will of such board as to all assignments, transfers, conveyances, and releases of all funds and property under the custody and control of such Board of Trustees; that in the absence of such president, Vice President Flora Marzel be authorized to act for and in place of such president, and that in the absence of such secretary, the assistant librarian, J. V. Cargill, be authorized to act for and in place of such secretary."

11. Communication from Milwaukee Academy of Medicine. A communication was received from Dr. Eugene A. Smith, librarian of the Milwaukee Academy of Medicine, relative to a scheme of cooperation between the public library and the academy as to supervision of the medical library. The communication is herewith attached.

It was voted to refer the further consideration of this matter to the committee on permanent location of branch libraries with power to enter into preliminary negotiations relative to a branch library in the building belonging to the Milwaukee Academy of Medicine.

Adjournment.

MILWAUKEE ACADEMY OF MEDICINE

153 Oneida Street
Milwaukee

October 12, 1926

Library Board Trustees,
Milwaukee Public Library,
Milwaukee, Wis.

Gentlemen:

It has occurred to some of those interested in the Milwaukee Academy of Medicine that some cooperation might be worked out between the Public Library and the Academy by which both might benefit and the public would be served by both. The Academy occupies the building in which it is possible that room might be found for books of a general nature adjacent to the room occupied by the medical library. We have had difficulty in getting proper supervision of the medical library. With a collection of the general books placed in juxtaposition to the medical library it is possible that the person or persons who might be placed in charge of these general books might properly function as librarian of the medical library.

If the Board of Trustees of the public library would appoint a committee to give this matter further consideration, we would be glad to talk the matter over in some detail in the hope that some such arrangement might be made. The library would get some benefit from the fact that they would secure quarters without the expenditure of money for rent. The quarters contemplated are in the Medical Arts building; owned by the Milwaukee Academy of Medicine, and are commodious enough to provide unlimited room for future expansion. This building is on Oneida Street directly opposite the court house and most centrally located for the use of a large population of office men and women and residences largely tenanted by boarding and rooming house-keepers. The School of Engineering occupies the building next door and we are the meeting place of the medical and dental societies of the city and the library, the sixth largest medical library in the United States, (about fifteen thousand volumes), is open to the general public besides.

Sincerely yours,

/s/ EUGENE A. SMITH

Minutes of Special Meeting
of the Board of Trustees of
the Milwaukee Public Library
held October 22, 1926, at
4:30 P.M. in the Trustees'
Room

1. Roll Call.

Present: Trustees Dietz, Menzel, Potter, Untermann, and President Tegtmeier.
Excused: Trustees Durand, Norris, and Shutkin.
Absent: Trustee Gottschalk.

2. Periodical Contract. On motion of Trustee Potter, seconded by Trustee Dietz, it was voted to accept the bid of the A. W. Rundquist Company to supply the periodicals for the public library during 1927 upon the assurance of accuracy, promptness, and general efficiency as to service, with the understanding that if there is any failure in any particular as to service they need not be asked to bid again.

Vote:

Ayes: Trustees Dietz, Menzel, Potter, Untermann, and President Tegtmeier.

Noes: None.

3. Oneida Street Branch. On motion of Trustee Potter, seconded by Trustee Dietz, it was voted to direct the librarian to prepare a contract and lease with the Milwaukee Academy of Medicine along the lines of the correspondence with the Academy; that the aldermanic members of this board be requested to secure a resolution by the Common Council authorizing such a contract; and that when such authorization has been secured and the contract executed the librarian be authorized to install service as agreed upon; and that the budget be modified to meet this new situation if it can be arranged.

Vote:

Ayes: Trustees Dietz, Menzel, Potter, Untermann, and President Tegtmeier.

Noes: None.

4. Lists for Children's Book Week with imprint of merchant furnishing lists. By common consent it was agreed that while the board was grateful to Bunde & Upmeyer for their courtesy in offering to print these lists with no advertising matter other than their imprint upon them, in view of the fact that we have in the library a press upon which these lists could be printed it would be unwise to place the burden of such printing upon any merchant.

5. Sale of Third Street property. The informal suggestion coming from the Land Commission that it might be possible to dispose of the lot facing on Third Street, between Hadley and Locust Streets, advantageously at this time was discussed, and it was unanimously voted that it would be unwise to dispose of this property at this time.

6. Wooden branch building at Kenosha. The librarian informally presented to the board photographs and plans of one of the wooden branch library buildings at Kenosha as suggestive of a possible building upon the property owned by the museum and library at the rear of the library building.

Adjournment.

Memo for the Consideration of
the Board
November 9, 1926

Charles E. McLenegan Branch. Pursuant to the plan heretofore sanctioned by the board, the Charles E. McLenegan Branch at the corner of Holton and Locust Streets has been installed and was opened to the public Wednesday morning, November 3rd. The opening attracted a very considerable amount of attention, and the prospect promises a satisfactory circulation.

Attached hereto will be found a copy of a letter from Mrs. Charles E. McLenegan expressing her appreciation of the action of the board in naming the new branch after her husband.

Oneida Street Branch. The City Attorney has drawn a lease covering the terms upon which an arrangement was to be made between the public library and the Milwaukee Academy of Medicine as to the maintenance of a branch library on Oneida Street. The resolution authorizing this contract has been unanimously approved by the Committee on Buildings, Grounds, and Bridges, and recommended for passage. The project has also been personally approved by other members of the Common Council so that there seems no doubt as to the outcome. Shelving and books are being ordered.

The librarian addressed a communication to the Board of Estimates asking for the inclusion of \$5800.00 additional expenditure for 1927 covering the expense of the new branch. He is informed that when this communication was received the Board of Estimates had already agreed on a levy sufficient to cover our needs for 1927 as previously expressed in the budget approved by this board. If, however, the Board of Estimates will place in the budget for 1927 provisions for the expenditure of these additional funds it will probably be possible for the library to accumulate enough to meet these expenditures out of sources of income other than the tax levy.

Budget for 1927. The secretary of the Board of Estimates informs the Librarian that it was deemed best to transfer a sufficient amount from the contingent fund to the library fund to cover the \$19,560 items in the budget which were added after the levy for 1926. This leaves a corresponding amount of our excess earnings for 1926 available for the 1927 expenditures. The secretary of the Board of Estimates also informs the secretary of this board that the Board of Estimates has agreed upon a levy for library purposes sufficient to meet the budget as approved by the library board and presented to the Board of Estimates. It is somewhat gratifying to know that this was granted freely without any argument.

Ordinance and resolution covering salary schedules. The Common Council has adopted an ordinance making provision for the schedule of permanent positions in the library with salaries to be attached thereto as requested by this board. Under the opinion of the City Attorney that it was unnecessary for the Common Council to adopt a resolution covering positions and salaries more temporary than those in the schedule of permanent positions they have rescinded the resolution which previously provided for pages and other employees paid by the hour. The Civil Service Commission suggests that it would be advisable for this board to adopt a resolution providing for such positions and the salaries attached. The librarian has, therefore, drawn a resolution which seems to cover the needs of the situation and which will be presented for consideration of the board at the meeting.

----- FOR THE INFORMATION OF THE BOARD -----

Book week. The week of November 8-14 is National Book Week. There will be in the rotunda, and elsewhere in the library, exhibits prepared by the Young People's Department and the School Department which the members of the board, we are sure, would find interesting; the staff cordially urges members of the board to visit the library building during that week.

Dear Mr. Dudgeon:

Your interesting letter reached me in due time, and I sincerely regret being forced to delay in replying to it. It came just as we were about to move, and the nervous strain of that operation made me really ill, so that I have been unable even to dictate a letter, until now.

I was deeply touched and gratified to learn of the thoughtful part you may have had in suggesting it,

It always warms our hearts to hear from the Library, and I wish that you would remember us most kindly to our old friends on the staff, whom we remember with sincere affection.

With cordial greetings to yourself and the members of your family, who I hope are well, I am always,

Sincerely yours,

/s/ CLARA R. MC LENEGAN

Memo for the Consideration
of the Board
December 14th, 1926

Report as to unused rooms under control of museum. Some-time ago the Board suggested that the librarian investigate whether or not there were unused rooms in the building under the control of the museum. While it is true that covering the period since the Calumet Club was taken over by the City there have been two good-sized rooms which have not been used except for two or three times a year for exhibit purposes, Dr. Barrett assures me that they are planning to use these rooms for exhibit purposes, that at the last meeting of the Museum Board permission was granted to buy cases for them, and that in the future they will be absolutely necessary for museum purposes. We are, therefore, still faced with a great need for a room to be used as a Teachers' Room, and are also crowded in other departments. Is a temporary building on the property to the north possible - somewhat on the order of the Racine branch building?

Physical disabilities on the part of cleaning women. While no immediate action is necessary the Board should probably be informed that two of the women who are employed as cleaning women at the main library have not sufficient strength and health to do the heavier work such as mopping floors, etc. At the librarian's request they went to the physician for the Civil Service who, after consulting with the family physicians of the two women, reports that neither Mrs. Emilia Neitz, employed since October 9, 1918, nor Mrs. Laura Dietrich, employed since February 1, 1923, are able to do any but the light cleaning work, and that there seems to be little prospect that either of them will ever be able to do any heavy work.

There is in the employ of the library, also, Mrs. Lizzie Seebold, employed since March 22, 1902, who for several years has been unable to do any heavy work. As several of the other women now employed are well over fifty years of age the subject merits some attention. We can for the present assign the heavy work to women able to perform these duties, but we are probably approaching a point where it will be unfair to the stronger women to burden them with all of the heavy work.

Resignation. Miss Esther Lloyd, senior branch librarian, Continuation School Branch, has presented her resignation, effective November 20, 1926.

FOR THE INFORMATION OF THE BOARD

Oneida Street Branch. Arrangements have been completed for the installation of the new branch on Oneida Street opposite the Courthouse. The Council has authorized a lease, the City Attorney has drafted one, and it has been executed. The new branch will probably be opened the first Monday in January.

Charles E. McLenegan Branch. Although 4225 volumes were placed in the Charles E. McLenegan Branch during October and November, on December 1st so many books were out in circulation that section after section of the shelves had not on them a single volume, fully half of the sections being entirely stripped of books and many of the shelves in the other sections being stripped. Since that time about 500 books have been secured either by purchase or by transfer from the main library and have been placed on the shelves, but the supply is as yet altogether inadequate. On a recent Monday afternoon between four and five o'clock, the librarian watched this branch in operation, and for one hour found there were never less than 60 persons standing in line waiting for an opportunity to be served. The entire room was so crowded that in some places it was very difficult for the public to get at even the few books which were on the shelves. It would appear that this library must eventually be moved to larger quarters.

Minutes of the Monthly Meeting
of the Board of Trustees
of the Milwaukee Public Library
held December 14th, 1926, at 4:30
P.M. in the Trustees' Room

1. Roll Call.

Present: Trustees Dietz, Durand, Norris, Potter, Untermann, and President Tegtmeier.

Absent: Trustees Gottschalk, Menzel, and Shutkin.

2. Minutes. The minutes of the regular monthly meeting held November 9th, 1926, were approved.

3. Statistical report. The statistical report for November, 1926, was received and filed.

4. Allowance of accounts. On motion of Trustee Potter, seconded by Trustee Untermann, the report of the Finance Committee on accounts for November, 1926, was accepted and the accounts recommended for payment were allowed by the following vote:

Ayes: Trustees Dietz, Durand, Norris, Potter, Untermann, and President Tegtmeier.

Noes: None.

5. Location of Branch Libraries. Trustee Dietz, speaking for the committee on location of branch libraries, exhibited a map showing the existing branch libraries, with circles drawn around each on a radius of one-half mile, thus showing the portions of city unserved. He called special attention to the needs of the upper Green Bay Avenue region and the regions surrounding Greenfield and Layton Avenues; also, in the section constituting the additions to the city south of Oklahoma Avenue.

In connection with the report attention was called to the possibilities of the erection of a barracks, or bungalow, north of the alley in the main library block. Informal suggestions were made as to the possibility of providing such a barracks. The same committee was asked to make further investigations and to report at the next meeting.

6. Resignation of Miss Lloyd accepted. On motion of Trustee Potter, seconded by Trustee Untermann, the resignation of Miss Esther Lloyd, senior branch librarian, Continuation School Branch, was accepted.

7. Uniform for janitorial staff. On motion of Trustee Norris, seconded by Trustee Potter, the librarian was authorized to purchase dungarees for the janitorial staff, and to insist upon a neater and a more cleanly appearance of the men working around the building.

Vote:

Ayes: Trustees Dietz, Durand, Norris, Potter, Untermann, and President Tegtmeier.

Noes: None.

8. Salary increase. On motion of Trustee Potter, seconded by Trustee Dietz, the librarian was authorized to promote Miss Martha Podlasky, Head Cataloger, from Rank 6 in Grade IV, at \$150.00 per month, to Rank 7 in Grade IV, at \$160.00 per month.

Vote:

Ayes: Trustees Dietz, Durand, Norris, Potter, Untermann, and President Tegtmeier.

Noes: None.

Adjournment.

1. 1990年12月15日，在北京市召开的“中国环境与发展”会议上，江泽民总书记发表了重要讲话，指出：“中国的环境问题，已经到了非解决不可的时候了。我们决不能走一些发达国家走过的老路，决不能走先污染后治理的老路。我们必须在经济发展的同时，把环境保护放在突出的位置，实行可持续发展战略。”

Memo for the Consideration
of the Board
January 11, 1927

Amendment of resolution relating to number of pages required. Owing to the fact that several librarians have resigned, that we have opened additional branches, and that the circulation has been very heavy during the past few weeks, the librarian finds it necessary to employ a larger number of persons as "pages" in Class I than the number which seemed necessary some weeks ago when this resolution was adopted. The fact that many of these pages work only two or three hours a day makes a larger number of separate individuals necessary. In many instances this means a net saving to the library since these temporary pages assist in carrying the main library and the branches through the peak of the day's load from 3:00 to 6:00 P.M. and there are fewer full-time workers. We are, therefore, asking the Board to adopt a resolution amending the resolution relating to the number of pages in Class I required. On the other hand, we have not nearly reached the maximum number provided in the resolution for Class II pages or other higher paid employees.

Resolution relative to transfer of funds. The law provides that where this board finds it necessary that expenditures be made in sums varying from the amounts provided in the advance budget the board may, by resolution, transfer balances existing in some accounts into other accounts so that the amounts available in each account will correspond to the amounts necessary to expend from such account. The librarian will, therefore, have ready to present at the meeting of the board a list of these transfers and will ask the board to adopt a resolution making these transfers.

The board should also adopt a resolution providing that certain balances remaining from funds available in 1926 be made available to pay obligations incurred in 1926 but not yet ready for payment. (For example: A statement of the fees and commissions payable to custodians of libraries in the county for services rendered in the last quarter of 1926 could not be prepared and allowed prior to January 1, 1927, since some of the reports of county circulation are slow in coming in.) A resolution will, therefore, be presented at the meeting of the board requesting the City Comptroller to hold certain resources available in 1926 to pay these obligations incurred for the year 1926.

Temporary building near main library. The librarian was directed at the last meeting of the board to investigate the possibility of erecting a portable building near the main library building to be used for certain activities of the library. The librarian has obtained advance estimates which indicate that such a building could be economically erected. Trustee Dietz, however, made the suggestion that we might find that it would be impossible to erect such a building on account of the various regulations adopted by the Common Council relating to the character of buildings to be erected in various districts. Mr. Frederick N. MacMillin, the Municipal Reference Librarian, has gone into this matter with some care and reports that there are several provisions which would interfere with the erection of wooden barracks for library purposes adjoining the main library; that this location is in the fire district; and that such a building must be of brick in order to meet the requirements. While the Common Council may have authority to make a special provision authorizing the erection of such a structure it is doubtful whether the board would care to request such special authorization.

Adjustment of water bills between the museum and the library. Members of the board will remember that sometime ago the librarian reported that the city water department seems to have overcharged the library for water furnished during 1925, the records indicating at the same time that the museum had been undercharged. Following the suggestion of this board the librarian took this matter up with Dr. S. A. Barrett, director of the museum. It has been agreed that the two accounts should be adjusted on the basis of the average previous consumption of the two institutions since it was evident that some of the water which had been used by the museum had been metered through the library meter. Such an agreement was sanctioned by the Board of Trustees of the Milwaukee Public Museum December 21, 1926, and the museum has remitted to the library its check for the sum of \$371.28, constituting a readjustment of the water bills for the year 1925. No action of this board is necessary further than to sanction this settlement by acceptance of the check and acknowledgment of it as a settlement of the irregularities of the 1925 water bill.

F. N. Finney Estate. January 4th the librarian received from the First Wisconsin Trust Company a check of \$473.69 from the trustees of the trust created by the will of F. N. Finney, deceased, this constituting the first payment received out of the income of this estate. The will of F. N. Finney, deceased, is a long, complicated one which provides for the creation of a trust fund, the income from which shall in the first instance be payable to the children of the deceased. After the death of any child one-fourth of the income payable to that child is to be paid to any child of such deceased child so long as such grandchild shall be under 21 years of age. When, therefore, any child of F. N. Finney, deceased, dies without leaving four such minor children the result is that there is a portion of the income which will come to the library under another provision of the will to the effect that this library is to receive one-fourth of such undistributed portion of such deceased child's share of the income.

August 10, 1926, Julia A. Hathaway, one of the children of F. N. Finney, deceased, died, leaving, as we are informed, no minor children. The library is, therefore, since that date entitled to one-fourth of that portion of the income which the will gave to her. The check for \$473.69 represents the net amount accruing from August 10, 1926, to January 1, 1927. If the trust estate income remains the same the library will, therefore, from now on receive each year a sum somewhat in excess of \$1200.00 from this portion of the income.

When other children of the deceased die further sums will be payable to the library. Eventually, when all the children have died and all the grandchildren have arrived at the age of 21 years, this library will receive one-fourth of the principal, which one-fourth will, according to reports, be a sum somewhat in excess of \$100,000.00.

The librarian is making this report after a somewhat hurried examination of the will, but he has referred the will and all papers and correspondence relating to this matter to the City Attorney for further examination and for further direction as to the rights and duties of the board of trustees in the premises. So far as the librarian can determine the will gives no direction as to method of expenditure of the funds which will be available from the estate. The librarian is, therefore, presenting these facts to the board at this time with the thought that the board may wish to consider whether or not it would be wise to devote the proceeds of this fund to some definite purpose rather than to mingle them in the general resources of the library.
